C. N. Benedict, Eastern avenue, Barre, Vt., says: "The great merit of Doan's Kidney Pills has been so amply proven to me that I can give them my strongest endorsement. Four or five years ago, I was injured, and from that time on was troubled a great deal by pains across my loins and kidneys. Stopping or lifting caused me distress, and I was annoyed a great deal by a retention of the kidney secretions. A friend, knowing how I was troubled, advised me to try Doan's Kidney Pills, and I did so, procuring my supply at Drown's drug store. I received the most gratifying results. My back and kidneys were strengthened and my health improved wonderfully. Since that time, whenever I have felt out of sorts, I have taken Doan's Kidney Pills, and they have never failed to give me the desired relief."

Cary Maple Sugar Co. Wins \$1064. Verdict in Chicago.

George C. Cary, general manager of the Cary Maple Sugar company, together with several of his employees, was called to Chicago last week by his attorneys there to look after a suit at law, which was brought by the said company as plaintiff, against the C. D. Cannon Maple Syrup company of that city. The case involved questions of breach of contract. The Cannon Maple Syrup company had contracted for four carloads of sugar and syrup from the Cary company but owing to some slight deviation as to time of shipment they refused to accept the goods and pay the contract price. The suit was tried in the municipal court of Chicago and a verdict of \$1064, together with costs of prosecution, was awarded the Cary company. Mr. Cary expressed himself as well satisfied with the verdict as well as the just consideration of the bench and bar in the "windy city."
